THERA PATIENT SUPPORT® PROGRAM

There for you every step of the way

Visit EgriftaSV.com/thera-patient-support to learn more

Why should you enroll in the THERA patient support® program?

Financial Assistance Program to help cover the cost of care

Commercial Insurance

If you have private or commercial insurance from your employer or directly from a health insurance company, you **may be eligible** for the THERA *EGRIFTA SV*® Co-Pay Assistance Program.

Government Insurance

THERA patient support® can provide information and resources that may **lower your out-of-pocket costs**.

THERA Patient Assistance Program

The program offers qualifying patients THERA **medications at no cost**.

Nurse Navigator Support

Our THERA patient support® Nurse Navigators offer **one-on-one support** to get you started and stay on track with your *EGRIFTA SV*® treatment, including injection training, adherence calls, and help answering any product-related questions.

Injection Training

Need help with your *EGRIFTA SV*® injections? Our THERA patient support® Nurse Navigators will **personally train you on preparing and injecting *EGRIFTA SV*®** through telephone or video calls.

How does the THERA patient support® program work?

1 Your healthcare provider prescribes you *EGRIFTA SV*® and enrolls you in the THERA patient support® program.

2 A THERA Patient Care Coordinator will call to welcome you to the program. In the call, you will be offered a free sharps container and *EGRIFTA SV*® Resource Kit to help you get started.

3 The THERA Patient Care Coordinator will work with specialty pharmacies in your insurance network. If eligible, they will apply Co-Pay Assistance so you can quickly receive your medication, delivered straight to your door.

4 Once the THERA Patient Care Coordinator has confirmed your coverage and medication delivery, a THERA patient support® Nurse Navigator will welcome you into the program and schedule your *EGRIFTA SV*® injection training.
